ECOREN ENERGY

Energy transition is transforming; and we are accelerating.

About Us

With every project, Ecoren is not just generating power but building a sustainable legacy of Renewable Dominance. Join us as we lead the charge in solar, wind, and hybrid solutions to power a cleaner, greener future.

30GW by 2030

At Ecoren Energy, we're not just adapting to the energy transformation—we're driving it. Our ambitious "Mission 30:30" targets 30GW of renewable energy capacity by 2030, solidifying our leadership in clean energy and transitioning to P2X markets.

Our Services

Renewable Platform

We have a proven track record of 5 GW commissioned or under construction and a 20 GW pipeline.

Energy Storage

Driving the shift to 24/7 renewable power using large-scale and decentralized battery storage solutions.

Power-to-X Markets

Converting renewable power into valuable fuels and chemicals to drive the next wave of sustainable industry.
